

# Protective Cover

---

## **Away you go!**

This lightweight, water and abrasion-resistant Protective Cover provides excellent protection for the Tour & Sport Portables during car or foot travel. It features a front Velcro closure. Works well with our customized Pull Cart for added convenience.

When ordered at the time of table, it is placed in the table box and so incurs no additional shipping cost.

**Please note:** The Protective Cover is not sufficient protection from baggage handling during air travel. Please use the Airline Travel Case (or the original shipping box with foam packing).
