

# The Junior Portable Table (for kids!)

---

The Junior is ideal for adjusting infants and children (up to an approx. height of 50"). It is a modified, mini-version of our Tour. With an extremely versatile headpiece and optional table drops, it is well equipped to help you adjust your younger clients.

Weights provided to set on back leg crossbrace for counterbalance (not shown on photo).

Add your business logo or a friendly image for a personalized touch!
