

Double Cushion Drop

A great complement to our Extremity Drop!

The Double Cushion Drop has two parallel cushions. The space between the cushions provides a comfortable recess for protruding bones while adjusting extremities (eg wrists, ankles, elbows).

Note: The Double Cushion Drop is not intended for cervical or pelvic adjusting. Thuli Tables offers a Portable Headpiece, Pediatric Cervical Drop, and Lumbo-Pelvic Drop for these purposes.

- Ideal for adjusting ankles, wrists, elbows
- Straight drop with adjustable tension
- Maple base with two firm cushions
- Drop height of 0.375" (8.4 mm)
- 1.25" (3.2 cm) between cushions
- 8" x 6" x 3" (20 x 15 x 7.5 cm)
- Colors: Black, Navy, Burgundy, Espresso
