

Airline Travel Case

Tour & Sport Portables

Traveling by air to a seminar or to adjust family or friends? Our Travel Case offers easy loading and protection for your Tour or Sport with custom-molded top & bottom caps and interior protective foam lining. The Lightweight case is made of durable, corrugated plastic and the Heavy-Duty case features rigid plastic.

Make transporting it to the airline check-in easy by placing it on the Pull Cart. After check-in, the Pull Cart can be taken aboard the plane and placed in the overhead luggage compartment. For easy identification at the luggage claim, choose one of the colorful strap options.

Add your company logo and you'll be all set!

AIRLINE BAGGAGE REGULATIONS

Check with your airline regarding luggage restrictions and surcharges. The Tour in the Lightweight or Heavy Duty Travel Case weighs over 70 lbs. If desirable, you can easily remove the headpiece from the table and carry it in a separate luggage, which decreases the weight by 8 lbs (4 kgs).

COLOR CHOICES

Case: Black or White

Straps: Yellow, Red, Yellow or Black

OPTIONS

Lightweight or Heavy-Duty

(Heavy-Duty not available for Tour Swing-Away)
