

Pediatric Cervical Drop

The Pediatric Cervical Drop was designed with the smallest people in mind. The contoured cushion cradles the baby's head while the adjustable neck strap allows the drop piece to sit on your chest (hand-free) so you can hold the baby during the adjustment.

Available in our standard colors and kid-approved colors!

- Contoured cushion cradles baby's face
- Adjustable neck strap allows hand-free operation
- Straight drop with adjustable tension
- Drop height of 0.375" (8.5 mm)
- Maple wood base
